**Re: Notice of Release of Screening Decision Report for Canada-Nunavut Geoscience Office's "Bedrock Mapping of Angikuni Lake" Project Proposal, Kivalliq Region**

Dear Mosha and Tracey:

Enclosed is the Nunavut Impact Review Board's (NIRB or Board) Screening Decision Report to the Honourable Ministers Joanna Quassa, Minister of Nunavut Arctic College and the Honourable Minister Dan Vandal, Minister of Northern Affairs for Canada-Nunavut Geoscience Office's "Bedrock Mapping of Angikuni Lake" in the Kivalliq Region, dated May 25, 2023.

The NIRB has assessed this project proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment, the Board has indicated to the responsible Ministers that **a review of the project is not required** in accordance with s. 92(1)(a) of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*). Accordingly, the NIRB awaits a response from the Ministers.

In the absence of a response from the Ministers, regulatory authorities should take note of s. 75(1)(e) of the *NuPPAA*, which provides: "A regulatory authority is not authorized to issue a licence, permit or other authorization in respect of a project if the responsible Minister has decided

either that the project could be modified and an amended project submitted to the Commission or that it is not to proceed.” Contravention of s. 75(1) of the *NuPPAA* will render a licence, permit or other authorization issued of no force or effect.

Please contact the undersigned at (867) 983-4615 or [info@nirb.ca](mailto:info@nirb.ca) if you have any questions or require additional clarification.

Sincerely,

Calvin Ehaloak  
Technical Administration Coordinator  
Nunavut Impact Review Board
