Hello Kelli, I just received this e-mail from one of my consultants. The KIA requests a one-week extension to the review of the Hope Bay Project 2022 Annual Report to NIRB from June 26 to July 3rd, 2023.

Please advise if this can be provided.

Thank you.

John

Subject: Hope Bay NIRB Extension Request

Hi John,

We're moving a bit slower through the reviews of the Hope Bay NIRB annual report than we'd hoped. Could you ask the NIRB for a week extension?

Thanks!
Richard
