Re: Notice of Release of Screening Decision Report for Carleton University's "Arctic coastal and drifting ice processes and dynamics" Project Proposal, Qikiqtani Region

Dear Mosha Cote:

Enclosed is the Nunavut Impact Review Board's (NIRB or Board) Screening Decision Report to the Honourable Minister Joanna Quassa, Minister of the Nunavut Arctic College for Carleton University's "Arctic coastal and drifting ice processes and dynamics" in the Qikiqtani Region, dated July 13, 2023.

The NIRB has assessed this project proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment, the Board has indicated to the responsible Minister that **a review of the project is not required** in accordance with s. 92(1)(a) of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*). Accordingly, the NIRB awaits a response from the Minister.

In the absence of a response from the Minister, regulatory authorities should take note of s. 75(1)(e) of the *NuPPAA*, which provides: "A regulatory authority is not authorized to issue a licence, permit or other authorization in respect of a project if the responsible Minister has decided either that the project could be modified and an amended project submitted to the Commission or that it is not to proceed." Contravention of s. 75(1) of the *NuPPAA* will render a licence, permit or other authorization issued of no force or effect.

Please contact the undersigned at (867) 983-4615 or info@nirb.ca if you have any questions or require additional clarification.

Sincerely,

Calvin Ehaloak
Technical Administration Coordinator
Nunavut Impact Review Board
