Good afternoon,

The Government of Nunavut is seeking clarification on whether remote participation will be supported for the upcoming Chidliak Guidelines Workshop, held in Iqaluit at the end of this month. If remote participation via phone or virtual meeting is not being provided, the GN would request that remote participation be made available for this workshop.

The GN understands the NIRB's intention to return to in-person meetings, however, given limitations in staff capacity and the decentralized nature of the GN's technical support and subject matter experts, the GN believes that a combination of in-person and remote participation is both beneficial and desirable.

Please feel free to contact me with any questions regarding this request.

Thank you,

Justin Buller

Interim Avatiliriniq Coordinator, Government of Nunavut
