**Re: Acknowledgement of the 2022 Annual Report for Commander Resources Ltd.'s
"Dewar Lakes Camp" Project**

Dear Robert Cameron:

Please be advised that the Nunavut Impact Review Board (NIRB or Board) received Commander Resources Ltd.'s 2022 Annual Report for the "Dewar Lakes Camp" project on March 31, 2023, as required pursuant to the Monitoring and Reporting Requirements Condition 1 of the Screening Decision Report, dated April 30, 2010.

Monitoring and Reporting Requirements Condition 1 states:

1. *The Proponent shall submit an annual report with copies provided to the NIRB, Indian and Northern Affairs Canada (INAC), the Government of Nunavut, Department of Environment (GN-DoE), and the Qikiqtani Inuit Association (QIA) by March 31 each year that the project is in operation. The report must contain, at a minimum, the following information,*
 - a. *A summary of activities undertaken for the year, including the amount of drilling;*
 - b. *A work plan for the following year;*
 - c. *A summary of wildlife mitigation and monitoring (see Item 2 for details);*
 - d. *The number of take-offs & landings from an airstrip with approved flight path with date and location;*
 - e. *The number of helicopter touch-downs on the land with date and location (provide unless confidential);*
 - f. *Site photos;*
 - g. *Progressive reclamation work undertaken; and*
 - h. *A summary of how the proponent has complied with all project terms and conditions*

and how the terms and conditions are achieving their purpose.

Upon review of your submission, we have concluded that Commander Resources Ltd.'s 2022 Annual Report for the "Dewar Lakes Camp" project contains the information as required above and that there are no deficiencies to note.

All documents received and pertaining to this project proposal can be accessed from the NIRB's online public registry at www.nirb.ca/project/123495.

If you have any questions or require further clarification, please contact the undersigned at (867) 983-4622 or motokiak@nirb.ca.

Sincerely,

Mia Otokiak
