YES

If yes, will the applicant integrate all available and relevant local and traditional knowledge when conducting its research?

YES

Local Services and Local Employment:

s6.4.3: Will the applicant rely on local services and employment where possible?

YES

Describe the services retained and people to be employed.

We do not plan to employ community residents during our research, given the fundamental and specialized nature of the research. However, we want to use community services. We plan to stay at Nunamiut Lodge for a period of approximately three weeks, and rent a vehicle from BLCS.

Communication on Scientific Research:

s6.4.4: Will the applicant communicate with communities in language that is clear, non-technical, in Inuktitut and English and communicate to the affected communities the results of all scientific res

div>YES

Consultation with Nunavut Research Institute:

s6.4.5: Has the applicant made all reasonable efforts to consult with the Nunavut Research Institute about research that would benefit or interest local residents?

YES

Describe the results of your consultation.

In December 2022, our team from INRS, Respec and Canmet Énergie, supported by Qulliq Energy Corporation, undertook a mission in the community. During this operation, a core was extracted. It is important to note that the positive opinion of the community had already been studied by these companies, and interventions in the secondary establishment were carried out. It should be noted that the previous mission, which was more invasive with noise-generating drilling activities, provided valuable information on the community response to such activities.

PARTICULAR AREAS**Game Sanctuary:**

s2.4.1: Is the project proposal located, in whole or in part, within the Thelon Game sanctuary?

NO

Bird Sanctuary:

s2.4.1: Is the project proposal located, in whole or in part, within the Mc Connell River Migratory Bird Sanctuary, the Harry Gibbons Migratory Bird Sanctuary or, the East Bay Migratory Bird Sanctuary
