<p>Do you have any suggestions or recommendations for this application?</p> <p>Transport Canada (TC) Ocean Protection Plan (OPP) is aware of this work and shares information regularly with Environment and Climate Change Canada (ECCC) so as not to duplicate efforts between ECCC's shoreline mapping work and the video/photos being taken by TC's National Aerial Surveillance Program (NASP).</p> <p>ECCC has attended recent Victoria Island Waterway Safety Committee meetings (out of Cambridge Bay in relation to the Bathurst Inlet survey work) to raise awareness of their planned activities and coordinate with TC-OPP in the Kitikmeot region.</p>																			
<p>Do you support the project proposal? Yes <input type="checkbox"/> No <input type="checkbox"/> Any additional comments?</p>
