Re: Comment Request for Agnico Eagle's Meadowbank Complex Project 2023 Annual Report

Dear Parties:

On March 30, 2024, the Nunavut Impact Review Board (NIRB or Board) received Agnico Eagle Mines Limited's (Agnico Eagle) *Meadowbank Complex 2023 Annual Report (2022 Annual Report)* as required by the amended Meadowbank Gold Mine (NIRB File No. 03MN107) and the amended Whale Tail Pit (NIRB File No. 16MN056) Project Certificates No. 004 Amendment 3 and No. 008 Amendment 1 respectively. On April 16, 2024, following a completeness check, the NIRB requested clarification on documents within the *2023 Annual Report* which were subsequently submitted by April 26, 2024.

The NIRB requests that interested parties review the *2023 Annual Report* and provide comments with respect to their jurisdiction and/or area of expertise by **June 13, 2024**.

The *2023 Annual Report* and supplemental documents are available for review from the NIRB's Public Registry at www.nirb.ca/project/125253 (Meadowbank Gold Mine (Meadowbank)) or www.nirb.ca/project/125418 (Whale Tail Pit (Whale Tail)). Access to the documents can be made by:

- Selecting the "Documents Tab" of the Project Dashboard(s) then select the "Annual Report" category on the left pane;
- Selecting "Recent Documents" on the Project Dashboards; or
- Searching the Public Registry with the Document ID numbers identified in [Appendix A: NIRB Document ID Nos for Agnico Eagle's 2023 Annual Report](#).

As per Section 12.7.3 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada (Nunavut Agreement)*, s. 135(4) of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14 (*NuPPAA*), and the Meadowbank Gold Mine and

Whale Tail Pit Projects, the NIRB's monitoring program focuses on compliance and effects monitoring.

The NIRB requests that interested parties review the *2023 Annual Report* and provide comments with respect to their jurisdiction and/or area of expertise on the following:

1. Effects monitoring

- a. Whether the conclusions reached by Agnico Eagle in the *2023 Annual Report* are valid; and
- b. Any areas of significance requiring further supporting information or any changes to the monitoring program which may be required.

In addition, the NIRB is requesting that Regulatory Authorities also provide comments and/or information associated with their respective mandate and jurisdiction, with respect to the following. An example format for tracking comments and Proponent responses is included in [Appendix B: Example Table for Comments on the Annual Report](#).

2. Compliance monitoring

- a. Provide a summary of any compliance monitoring and/or site inspections undertaken in association with the Project, including specifically;
 - i. Identify the terms and conditions from the Project Certificate which have been incorporated into any permits, certificates, licenses, or other approvals issued for the Project, where applicable, and report annually to the NIRB on the status of those incorporated terms and conditions;
 - ii. A summary of any inspections conducted during the 2023 reporting period, and the results of these inspections; and
 - iii. A summary of Agnico Eagle's compliance status with regard to authorizations that have been issued for the Project.

This information is important to assist the NIRB in assessing, coordinating, integrating, and ensuring that the Board has the information to accurately measure effects, adequately assess compliance with terms and conditions, regulatory instruments, and agreements, and whether the Projects are carried out in accordance with the terms and conditions as set out in the original project certificate.

Please send all forthcoming submissions directly to the NIRB via email at info@nirb.ca.

Please note for your records that the NIRB has appointed the following individual to serve as the Monitoring Officer for the Meadowbank and Whale Tail Pit Projects. To mail materials to the NIRB, please use the address below.

Nunavut Impact Review Board
Leah Klaassen
Impact Assessment Officer
P.O. Box 1360 (29 Mitik St.)
Cambridge Bay, NU X0B 0C0

Should you have any questions or require clarification regarding the NIRB's monitoring of the Meadowbank Gold Mine and Whale Tail Pit Projects, please contact the undersigned at (867) 983-4603 or lklaassen@nirb.ca

Sincerely,

Leah Klaassen
Impact Assessment Officer
Nunavut Impact Review Board
