Good Day Keith,

As per our phone conversation; leading into the federal election, CIRNAC had some additional requirements for funding approvals and this happened to coincide with the timing for when we normally secure consultants to review the annual reports so as such their reviews got started late and unfortunately will lead to us not being able to submit some of our comments on time.

Below is an estimate of when we expect to be able to provide comments to the board.

Major Project	NIRB Deadline	Target Submission
Back River	June 20	July 23
Mary River	July 4	July 4
Hope Bay	June 20	July 2
Meliadine	June 23	June 30
Meadowbank	June 23	June 30

Ma'na | Thank you,

Jeff Hart
