Additional Details: (Dates of Report, Follow-up by the Licensee)

**Any additional comments or information for the Board to consider**

No water was used and no waste water was created during the 2012 field season. 2012 field work comprised re-sampling of historic drill core, limited prospecting, a GPS survey of drill collars, and mineral claim staking. No camp was constructed on the property; field work was based out of Arctic Watch Lodge, located approximately 50 km north of the Storm Property.
