The Government of Nunavut (GN) thanks the Nunavut Impact Review Board (NIRB) for the opportunity to review Fisheries and Oceans Canada's "Ecology and demography of killer whales in the eastern Canadian Arctic" project proposal, NIRB File #: 26YN026.

The GN has reviewed the proposed project and related documents and has no comments to raise with the Board at this time.

The GN appreciates participating in the screening of this project through the NIRB review process. Should there be any concerns or need for follow-up, please feel free to contact me at jfbuller@gov.nu.ca.
