The attached Screening Decision Report provides the regulatory framework, scope of proposal and Board's assessment process, public engagement, factors relevant for the determining significance of impacts, and recommended project-specific terms and conditions. Additional information on the project can be viewed on the NIRB's public registry at the link at the top of this letter.

The NIRB look forward to receiving a response from the Minister, and any questions on the Board's assessment process or the Screening Decision Report can be directed to the NIRB's Director, Operations, Tara Arko at 1-866-233-3033 ext. 500 or [tarko@nirb.ca](mailto:tarko@nirb.ca).
