RE: NIRB File No.: 24XN038 Deadline for Parties to Submit Information Requests for the West Kitikmeot Corp.'s Impact Statement for Grays Bay Road and Port Project Proposal

To: Kelli Gillard, Manager, Impact Assessment, Nunavut Impact Review Board

Via email: kgillard@nirb.ca.

Dear Kelli Gillard.

The Athabasca Denesuline Né Né Land Corporation (ADNLC) has received NIRB's May 6th correspondence regarding the initiation of the public technical review of West Kitikmeot Corp.'s Impact Statement for Grays Bay Road and Port Project and the updated deadline of June 19, 2026 for parties to submit Information Requests to the NIRB.

ADNLC requires more time to complete this technical review and submit information requests and we are **requesting an extension until July 3rd**. We are currently undergoing some changes in our team and missing key advisors, in addition to having a high volume of deadlines over the past month and coming weeks, and do not have the capacity to complete the review in the time given.

We appreciate your consideration of this request.

Sincerely,
