

NIRB Project Application 126437

Comments posted by Holly Poklitar on June 23, 2026

The Nunavut Impact Review Board (NIRB) has a mandate to protect the integrity of the ecosystem for the existing and future residents of Nunavut. To assess the environmental and socio-economic impacts of the project proposal, NIRB would like to hear your concerns, comments and suggestions about the following project proposal application:

Indicate your concerns about the project proposal below:

- Other: Regulatory concerns

Please describe the concerns indicated above:

All marine navigation for the Project must conform to applicable federal and territorial legislation, in particular the requirements of the Canada Shipping Act, 2001 and the Arctic Waters Pollution Prevention Act, and their associated regulations.

Do you have any suggestions or recommendations for this application?

N/A

Any additional comments?

N/A

Do you support the project proposal?: Yes
