**Re: Notice of Screening and Comment Request for Thompson Rivers University's
"Responses of Permafrost Microbial Communities to Climate-Driven Thaw" project proposal**

Hello Mia,

The Government of Nunavut (GN) thanks the Nunavut Impact Review Board (NIRB) for the opportunity to review Thompson Rivers University's "Responses of Permafrost Microbial Communities to Climate-Driven Thaw" project proposal, NIRB File #: 25YN051.

The GN has reviewed the proposed project and related documents and has no comments or concerns to raise with the Board at this time.

The GN appreciates participating in the screening of this project through the NIRB review process. Should there be any concerns or need for follow-up, please feel free to contact me at jfbuller@gov.nu.ca.

Thank you,

Justin Buller
Interim Avatiliriniq Coordinator
Government of Nunavut
