Good morning, Amir. Thank you for reaching out.

WKR consents to its letter and attachment being posted on the public registry and circulated with the Board's correspondence. We will review the Board correspondence once issued and will reach out directly to you if further discussions are needed.

Take care,

Gavin Law

Dear Mr. Law,

Thank you for your email, upon review, the NIRB has concluded that a formal response in the form of Board correspondence to respond is warranted. In the interests of transparency, the Board wishes to attach your email and attachment to the Board's correspondence which will be posted on the NIRB's public registry. Please confirm whether WKR consents to its letter and attachment being posted on the public registry and circulated with the Board's correspondence in response. If you would like to discuss further or have any questions, please follow up with me directly.

Regards,

Amir Pourmahabadian

Acting Manager, Impact Assessment

Nunavut Impact Review Board

CAUTION: This email originated from outside of the organization. Do not click links, open attachments or follow direction, unless you recognize the sender and know the content is safe.

Dear Ms. Gillard,

Thank you for the opportunity to respond to the Information Requests (IRs) issued by the Nunavut Impact Review Board (the NIRB or the Board) on July 20, 2026, in respect of the Impact Statement (IS) for the Grays Bay Road and Port Project (the Project). West Kitikmeot Resources Corp. (WKR) is committed to supporting a thorough, efficient, and transparent review of the Project and is preparing substantive responses to the Board's Information Requests.

As part of that work, WKR has completed a preliminary review of the Board's Information Requests and, in the interest of an organized and focused response process, wishes to bring the attached findings to the Board's attention. WKR has grouped a number of the Board's IRs into five categories described further in the table below:
