Re: Response to Intervenor Comments on the 2025 Annual Report

Dear Keith,

Please find attached Baffinland's responses to the comments received on the 2025 Annual Report to the NIRB.

On August 7, NIRB issued a notification to Baffinland regarding the opportunity to address all comments for the 2025 Annual Report.

Baffinland appreciates the comments submitted by reviewers on the 2025 Annual Report to the NIRB and wishes to thank everyone for their ongoing engagement in the success of the Mary River Project.

Please do not hesitate to contact us if further clarification is required.

Sincerely,

A handwritten signature in black ink, appearing to read "JManufo".
