

Agenda for Community Information Sessions Held as part of the Nunavut Impact Review Board's Review of the "Grays Bay Road and Port" Proposal NIRB File No. 24XN038

October 8, 2026

To: Grays Bay Road and Port Distribution List

Dear Parties:

The Nunavut Impact Review Board (NIRB or Board) is providing an agenda for the **Community Information Sessions being held in Yellowknife, NWT on October 26, 2026 and Inuvik, NWT on October 28, 2026 to continue engagement of parties and support ongoing participation in the Review for the Grays Bay Road and Port Proposal**. NIRB is facilitating the meetings in coordination with the respective regional Review Boards and appreciates the Inuvialuit Regional Corporation's efforts in facilitating Inuvialuit community representation at the meeting in Inuvik.

The meeting enables community members and organizations from Northwest Territories and Saskatchewan to participate in the assessment process, prepare for upcoming events, as well as discuss the Proponent's Impact Statement. Sessions are in-person and open to the public to:

- Ask questions,
- Provide feedback and discuss issues to be addressed in the NIRB's assessment process,
- Help parties participate in the current work of technical review of the Impact Statement and prepare for the future Phase 3 of the Review including the Final Hearing, and
- Support clarity to parties on the coordination between the NIRB, the Mackenzie Valley Environmental Impact Review Board, and the Inuvialuit's Environmental Impact Review Board. For the clarity of parties: the NIRB's Community Information Sessions are similar in intent to MVEIRB's community and technical sessions.

A summary report of the meetings will be generated by the NIRB and posted on the NIRB's Public Registry. Questions regarding the sessions should be directed to info@nirb.ca or toll-free at **(866)233-3033**

Sincerely,

Tara Arko
Director, Operations
Nunavut Impact Review Board
